

Start your Summer right—come to our first-ever OA Summer Kickoff Celebration!

Leave your books at home, but bring your family and OA friends to a FUN afternoon of games, fellowship, speakers and a picnic in the park!

Connect with others and share ideas for coping with the changes summer brings:

- ✿ how to work your program when the kids are at home all day
- ✿ summertime body-image issues -- eek!
- ✿ program portability -- staying abstinent on vacation or when you have company

Sunday, June 27, 2010 3pm - dusk
